VFW Post, Auxiliary Will Hold Joint Installation Saturday

The William Martin Post 725 VFW of Mokena, and its Ladies Auxiliary, will install their respective newly elected officers for the new year at a joint installation at 8 p.m. Saturday, April 27. The affair is open to the public.

Clarence Zugenbuehler, the commander elect, formerly of Chicago, has been a resident of Mokena with his wife and children for a number of years.

He is a past commander of John Connolly post 5085 and is employed by the Chicago Daily Drivers Journal as a news reporter. He frequently broadcasts market quotations on radio.

The adjutant elect, George Wadlow, has been in the army for 20 years and is presently on duty at the NIKE base in Orlando.

The other officers to be installed, all well known in the community, are Jack Gorman, senior vice commander; Edwin Woodcock, junior vice commander; Marshall Muller, quartermaster; Wilbur Schalk, chaplain; Herman Konow, surgeon; Glenn C. Peterson, judge advocate; Clarence Werner, 3 year trustee; Gordon Doctor, 2 year trustee; and Ervin Friant, 1 year trustee, the latter two having been installed previously.

The commander elect has made the following appointments: George Wadlow, adjutant; Andy Harr, officer of the day; Art Hurley, service officer; Glenn C. Peterson, public relations and post historian; and Erwin Hentsch, graves registrar. Refreshments will be served following the installation ceremonies.

GOODWILL TRUCK

The Goodwill Industry's truck will be in Frankfort the first part of next week. Anyone desiring them to stop at their home, should call Blanche Mitchell, Frankfort 3661 no later than Monday evening, April 29.

L-W Musicians To Give Spring Concert May 24

On May 24 the Lincoln-Way high school music department will present its annual spring concert. The program will begin at 8 o'clock.

Highlights of the band program will be several selections the band will play at the state music contest. Student directors Larry Pfifer and David McGuire will direct a number each.

The chorus program will feature numbers by the girls' chorus, boys' glee club, vocal ensembles and soloists Kay Seltzer, Wendell Anderson, David Eriksen, and Ken Soderlund.

Seniors of the music groups will be honored in a portion of the program. Representing the high school at state contest as a result of winning superiors at district contest will be the band, boys' glee club, girls' chorus, nine ensembles and nine soloists. The state contest will be held at Bradley university, Peoria, May 3 and 4.

Scouts-Girls, Boys-To Take Part In Tree Planting Program

On the afternoon of May 4, every Boy and Girl Scout, Brownie, Cub Scout and Explorer will descend upon the Mokena Community Park to plant trees.

Thru the collective efforts of these scouts a two fold purpose will be accomplished, it was pointed out. The scouts will get an opportunity to participate in a conservation project and the park will benefit for years to come.

More details will be announced later, according to those in charge.

Will Ask Voters to Correct Error In TB Sanatorium Tax Set Up

Voters of Will county are being asked to correct a technical error that has brought financial trouble to the tuberculosis sanatorium.

To save money that a special election would cost county officials have decided to submit the necessary proposals to remedy the situation at the judicial election to be held June 4.

The sanatorium has lost considerable revenue over the years from the railroads because of faulty ballots. In November, 1954, a ballot was prepared to take care of things. The ballot was prepared in the office of Chapman and Cutler, a Chicago law firm that specializes in tax and bond questions submitted to voters.

Now it appears that the ballot was wrong because it failed to include the phrase, "in excess of the statutory limit of .075 cent per \$100." These words appeared in the election notice but that was not sufficient, they should have been on the ballot, according to a recent decision of the Illinois supreme court in a similar case that came up from Bureau county.

Railroad attorneys are using the decision as a basis for objections to the sanatorium tax and there is nothing the county court of Will county can do but to sustain the pending correction of the fault.

The ballot submitted to the voters in November, 1954, carried by a majority of five and a half to one.

Now it has to be done again. A conference was held in Joliet by State's Attorney Frank H. Masters, Jr., Special Assistant State's Attorney Charles Robson, Meade Baltz, chairman of the Will county board of supervisors, and Michael Faletti, superintendent of the sanatorium, and it was decided that the issue should be brought up at the judicial election June 4.

The necessary petitions to put the question before people have been filled out and presented to the county board which this week set the election date.

Two attorneys who are specialists in such matters have been retained to prepare the form of the ballot, Robert Scott, counsel for the DuPage county sanatorium board and Clifford Blunk, attorney for the Illinois Tuberculosis Association.

Both of these men agree that a fresh start should be made and two ballots presented to the voters on June 4, one for support of the sanatorium and the other giving the county clerk authority to levy the tax for its support.

These ballots will not mean a new tax nor will it mean any increase in taxes. The rate of 7½ cents per \$100 equalized assessed valuation which has been in force the past 20 years will remain the same.

What approval of the proposals will do, it was pointed out is to clear up a technicality that has allowed 13 railroads operating thru Will county to escape payment of the sanatorium tax.

Set Clocks Ahead Sunday

Here's something for you to remember this week end. The time has come to set your clocks it is also time for resumption of the semi-annual argument—when you shove the clock hands ahead an hour is it earlier of later.

Daylight saving time makes its official bow in Chicagoland at 2 o'clock Sunday morning. However, it is not expected that many will remain up until that hour just to change the clock. A large number of persons will perform the chore Saturday night when they retire. A large number will wait until Sunday to do it and there will be some—notably jewelers, courthouse and church custodians and business people who maintain clocks to give time to passersby—who will not get around to making the change until Monday or Tuesday.

And of course, there are some diehards who will continue to operate on standard time. Main opposition to daylight saving time does not come from persons who contend that the wrist watch will never replace the sundial, but from mothers who find the chore of convincing toddlers that it is time to go to bed because the clock says its night but all the while the sun is shining and outdoors beckons.

Daylight savings time will remain in force until October.

Band Boosters Hold Dance for Uniform Fund

The Frankfort Band Boosters appreciate the unsolicited donations from the Woman's club, Royal Neighbors, PTA and Lions club, toward the new uniforms purchased recently for the grade school band.

Band members displayed them with pride at the Band Fun Night held recently in the school. All agreed they were very attractive and look forward to seeing and hearing the band at the May concert.

To help finance the uniforms the Band Boosters are holding a dance for the public on Friday, May 3, in the school gymnasium.

Prizes to be awarded at the dance are a 21 inch color television set, clock radio, electric coffee maker, and hand sewn quilt.

A parcel post sale will also be held the same evening to help increase the band uniform fund. Some parcels have already been received from several television celebrities, plus a letter from the White House in Washington that will be sold.

Automobile crashes involving Mokena and Frankfort people and a former resident of Mokena, occurred on Thursday and Friday of last week and resulted in the death of a man, a child and the injury of 14 persons.

The dead:

Charles W. Zika, 23, Mokena. He was killed in a head-on collision on U.S. 45 at 167th st., about 7 o'clock Thursday morning, in a dense fog. Four other cars piled up following the crash and in all seven persons were injured.

Jacelyn Tomlin, 7 month-old daughter of Eugene and Joan Rueckert Tomlin, of Frankfort, Ind., was killed as a result of a two-car head-on crash at the intersection of Routes 1 and 52, 10 miles north of Watseka in Iroquois county, about 8 p.m. Friday. Seven persons were injured.

Zika was enroute Chicago where he was employed by the Stewart-Warner company when he collided with a southbound car driven by Marshall D. Carey, 21, 14th and Western, Chicago Heights. According to the police report Zika apparently was in the wrong lane. It was quite foggy, the report states, and the pavement was wet.

A car traveling behind Zika, driven by Otto S. Carroll, 53, Dayton, O., stopped to give assistance. Carroll said he pulled off on the shoulder. His sister, Mary Carroll, 55, Lebona, O., and a friend of her's, Mildred Hutman, 54, Dayton, remained in the car. A few moments later the Carroll car was clipped by an auto driven by William V. Delaughter, Frankfort.

Then another northbound car, driven by Lawrence Nichols, 28, 82 Front street, Mokena, loomed out of the fog. Nichols was flagged down and then as watchers saw another car coming from the south at a pace too fast for him to stop, Nichols was urged on but he couldn't escape and his car was rammed from the rear by one driven by J. E. Guyann, 47, Route 1, Kankakee.

All of the injured—seven of them—were taken to St. James hospital where they were treated and held for observation.

The infant killed in the crash north of Watseka Friday night was the granddaughter of Dean Rueckert, of Mokena. Tomlin, 24, and his wife, JoAnn, 23, were traveling on U. S. 52. At the intersection with Route 1 there are stop signs on 52 on both sides of the intersection.

According to the report of the accident made by state police of Pontiac district, Tomlin stopped on the east side of Route 1. A semi-trailer, east bound was stopping on the west side of the intersection as Tomlin started up. He was across Route 1 when an eastbound car, driven by Donald Porter, 22, Millington, Ill., shot out from behind the semi-trailer and crashed head-on into the Tomlin car.

Witnesses said that Porter had been traveling at high speed apparently too fast for him to stop in time to avoid crashing into the rear of the truck so he swung out and smashed into Tomlin's auto.

Porter is said to have been

Former Frankfort Doctor Receives American Surgery Board Certificate

Dr. Hershell Cave, formerly with the Hedges Clinic, Frankfort, and now of Henderson, Ky., has received certification by the American Board of Surgery as a specialist in general surgery.

A well known physician in Henderson, Ky., he has served for the past two years as chief of surgery at the Methodist hospital there.

Dr. Cave, his wife, Mary, and their four sons moved to Henderson in 1955, shortly after he had finished his M.A. work in surgery at the University of Pennsylvania.

The advanced work in surgery was his first step toward the coveted certification by the American board. Following a great deal of practical experience in the surgical field he took his board examinations. His certification papers arrived recently.

The Caves live in the residence where Dr. Cave has his office. It is probably Henderson's most unusual doctor headquarters, for the exquisite par-

quetty floors, the bevelled windows and mahogany woodwork of the downstairs where the office is located form the most unusual setting for the practice of surgery.

Dr. Cave attended undergraduate school at the University of Kentucky. He served his internship at Vanderbilt after receiving his M.D. He was located for a time at St. Louis.

While serving in the U. S. Army with the Second Auxiliary Surgical Group, in Africa and Europe, he earned the Silver Star.

Mrs. Cave, the former Mary Leeper, is president-elect of the Henderson County Medical Auxiliary. She has been active in working for the Handicapped Children's center as a member and officer of the medical auxiliary.

The Henderson newspaper, in congratulating Dr. Cave, says that "in short residence here, he had endeared himself to the community through his general interest in his adopted town. The same is true of his family of four sons and his attractive wife, Mary."

Green Garden Youths Take Part In Program On TV

Among the 50 Peotone High school students, members of the Future Homemakers of America and Future Farmers of America school clubs, who appeared on the television program, "Chicagoland RFD" last Saturday, were the following from Green Garden:

Russell Beckman, who explained various FFA projects conducted during the year. Participants in the square dancing team were Kathryn and Rodger Ullrich, Barbara Scheer and Beverly Bettenhausen.

Others who took part in the program were Beverly Torok, Ruth Ann Rainford, Glenn Gill, Kenneth Piggush, and Allen Toepper.

The annual hospital bill for cancer is estimated at \$300-million. This is ten times more than the \$30-million goal being sought by the American Cancer Society in its 1957 Crusade.

Hold Funeral For Infant Crash Victim

Last rites were held Tuesday afternoon in the Mokena Methodist church, for Jacalyn Tomlin, seven month-old daughter of Mr. and Mrs. Eugene Tomlin who was killed in an automobile accident Friday evening.

The Tomlins were enroute from their home at Frankfort, Indiana to spend Easter weekend with Mrs. Tomlin's father, Dean Rueckert and family, at Mokena. At the intersection of routes 1 and 52, near Watseka, they were struck by a car driven by Don Porter of Millington, Ill., who, it is claimed, was driving at a high rate of speed, while passing a semi-trailer.

Little Jacalyn was seated on her mother's lap in the front seat and suffered a skull fracture as a result of the impact.

Her mother and father were also seriously injured and are patients in the Iroquois hospital at Watseka.

Jacalyn was born Sept. 5, 1956 at Ft. Knox, Ky., when her father was stationed there while in the army.

The Rev. Jerald Jackson, pastor of the Mokena Methodist church, officiated at the service held in the church, with burial in St. John's cemetery, Mokena.

Civic Group to Have State Dept. Man as Guest

At the next regular meeting of the Mokena Civic association, Arthur Stillwell, of the state

department, and recently returned from New Delhi, India, will be guest speaker. The public is invited. The meeting will be held in the VFW hall, on Wolf road, Tuesday night, May 7, at 8 o'clock. Stillwell has served as adviser to the Civil Air patrol.

At association meeting, April 16, Lt. Col. Paul Stokesbury, of the Civic Air patrol, an official auxiliary to the Air force, spoke of possible damage from nuclear attack by air of the enemy. He cited the fact that the direct danger of such an attack could affect a 200 square mile area and that the fall-out would constitute a hazard over a 200,000 square mile surface with all cities "ports of entry". Altho the main purpose of the Civil Air patrol is work on defense, the long range program is for peaceful use.

Anyone interested may contact Major James Stewart, group commander, 6627 Gilbert, LaGrange. Group 14 in Joliet is the nearest group to this area. Youths, 14 to 18 years of age, are classed as junior trainees and those above 18, as seniors.

Only 30 per cent of educational facilities for science and technical subjects are being used, Col. Stokesbury said.

The Civil Air patrol is with the Scout program to interest youth in the training.

Francis Louise Hoyt, D. E. Cappel Exchange Vows at St. John's Church

Mr. and Mrs. Donald E. Cappel

Miss Frances Louise Hoyt, daughter of Mr. and Mrs. John Hoyt, New Lenox, was married to Donald E. Cappel, son of Mr. and Mrs. Peter Winker, Frankfort, at a 7:30 o'clock candle-light ceremony the evening of March 16 at St. John's Evangelical and Reformed church in Mokena.

The Rev. William Riemann officiated at the double ring ceremony before an altar decorated with palms and bouquets of white carnations. Candles, white ribbon and large white bows marked the pews. Candle lighters were Harold and Richard Hoyt, brothers of the bride.

Tom Connelly sang "Oh Promise Me", "Always" and "The Lord's Prayer" accompanied by Mrs. Howard Strassenburg at the organ.

Given in marriage by her uncle the bride wore a full length white gown of French lace and tulle, with a sweetheart neckline embroidered with sequins and pearls, long tapered sleeves and molded bodice. The skirt was of ruffled tulle over satin that ended in a cathedral length train. The veil of imported silk illusion was caught by a queen's crown of iridescent sequins and pearls. She wore a single strand pearl choker and pearl earrings and carried a cascade of white roses centered with a white orchid.

Miss Mary Hoyt, sister of the bride, was maid of honor. She wore a gown of white circle net with a scoop neckline and molded bodice. A white taffeta cummerbund encircled the waist and its panels fell over the bouffant ballerina length skirt. Her

matching tiara of tulle pedals was sprinkled with rhinestones. Her bouquet was a cascade arrangement of red and white roses.

Mrs. Richard Schellhase, sister of the groom, and Miss Marilyn Cooper, cousin of the groom were bridesmaids. They were dressed identically to the maid of honor and carried cascade bouquets of red roses.

Ruth Ann Hoyt, sister of the bride, was a miniature bride. She was dressed identically to the bride and carried a cascade bouquet of white roses.

Wayne Hoyt, brother of the bride, was the miniature groom.

Ronald Harnack, was best man. Ushers were Richard Schellhase, brother-in-law of the groom, and William Hoyt, brother of the bride.

A reception was held in the church parlors for 250 guests. Assisting were Mrs. George Shaffer, Mrs. Jerry Mescher, and the Misses Martha Hoyt, Karen Wade, Virginia Hoyt and Sally Hoyt.

For her daughter's wedding, Mrs. Hoyt chose a gray, black and white sheath dress with black and white accessories. The bridegroom's mother wore a light gray suit with navy and white accessories. Each complemented her outfit with a corsage of white carnations.

When the couple left on a honeymoon to Florida, the new Mrs. Cappel was wearing a gray tweed fitted suit, black patent accessories, pearl jewelry and a white orchid corsage. They are now residing at 115 N. Wolf road in Mokena.

Maxwell, the latter being a charter member of the organization. Kathryn May and Gladys Elliott were the chairmen of the dinner at which 45 members were present.

At the short business meeting following the dinner, donations were voted to be given to the local Cancer drive and to the Tinley Park Library fund.

Installation of officers will be held at 8 p. m. April 27 with Gladys Elliott as mistress of ceremonies and Mary Maxwell will be the installing officer.

The next business meeting will be May 7 at which time the newly installed officers will preside.

Women's Clubs of 3rd District To Hold Annual Meeting Monday

The annual meeting of the third district, Illinois Federation of Women's clubs, will be called to order by the president, Mrs. Howard Bertram of Lansing, at 10:15 a. m. on Monday, April 29, in Ridge Park Field House, 96th St. and Longwood Drive. Hostess clubs for the day will be Columbus Manor, Forest Ridge, Palos Heights, Palos Park, Tinley Park and Worth.

Mrs. Lewis Shawyer, president, Tinley Park Women's club, will welcome members and guests. Former presidents of the district will be honored guests. Annual reports will be given by retiring officers, pres-

idents and district chairmen.

A program by the chorus of the Lansing Junior Woman's club will open the afternoon session. The presentation of awards will include "Oscars for Teachers" by Mrs. Louis Root, Homewood, district education chairman, art awards, Mrs. J. B. Bailey, 9724 S. Hamilton ave., district art chairman, and literature awards by Mrs. A. H. Lassman, 7047 S. Union, literature chairman.

Mrs. Voris Miller, Tinley Park, press chairman, will announce the winners in the district press-book contest.

Orland Park Woman's Club Seeks Volunteers for Cancer Fund Drive

The cancer dressing group of the Orland Park Woman's club will meet at 10 a. m. in Wesley hall, Wednesday, May 1.

Volunteers for the cancer fund drive are urgently needed. Any one wishing to help should call Mrs. Karl Ekberg, FI9-3315.

The club installed the following officers at the April 17 meeting:

Mrs. Karl Ekberg, president; Mrs. John Barton, proxy for Mrs. Orville Schmaedeke, 2nd vice president; Mrs. Ralph Town recording secretary; and Mrs. Chester Williams, corresponding secretary. Mrs. H. Adele Cooper served as the installing officer and closed the ceremony with a prayer.

The meeting was the annual covered dish luncheon and was held in the home of Mrs. Fred Blackstone, with Mrs. Ray Doctor, Mrs. Thomas Wheeler and Mrs. Edward Gee assisting.

During the luncheon the group sang "Happy Birthday" to Mrs. Harry Anderson, guests were Marie Chelfant, of Pana, Lenour Schumacker, of Palos Heights; Mrs. David Agate, of Orland, Mrs. E. C. Kettering of Aberdeen, South Dakota; and Mrs. Theodore Ludes.

Mrs. Harry Anderson reported Marialice Richard of Orland school, district 135, was awarded 2nd place in the District Art Contest.

In the club's contest there were two 1st place winners; George Defore, Doctor school, and Marialice Richard.

Second place winner was Pat Smith, of Orland Center school, third place Earl Breitbarth, Orland Center and 4th places Marilyn Lindeman and Susan Bettenhausen, of Kirby-McIntosh school; Kathy Doogan and Barbara Schmaedeke, of Orland school; and Robert Perck, of Doctor school. All of the contestants received honorable mention from the district.

The annual Spring luncheon will be held at Valley View Farm Wednesday, May 15, at 12:30 p. m. Those wishing to make reservations for the luncheon may contact Mrs. Lillian Knox, at FI9-0211.

L-W Students Write Articles For State Magazine

An article, "Riders of the Circuit," written by Dan Owen New Lenox, a freshman at Lincoln-Way High school, appears in the April issue of "Illinois History."

The monthly publication is issued during the school year, October thru May, by the Illinois State Historical Society, in Springfield.

Zion Mission Guild Plans Activities

The Zion Mission Guild of Zion Lutheran church, Tinley Park, met April 21 in the parish hall with Mrs. Ruth Nielsen presiding. Mrs. Hazel Marquardsen gave the devotions. The Mesdames Minita Heed and Evelyn Gow were welcomed as new members. Mrs. Marion Olson was a guest.

Mrs. Dorothy Wheeler gave the Bible study, "Bless This House". The Lutheran World Relief clothing drive is being held from April 20 to 27. Any clothing to be donated may be left at the parish hall.

The Guild will sponsor the Zips May 11 when they have a hayride and weiner roast at the Walter Rauch farm. Refreshments were served by Mesdames Hildur Carlson and Charlotte Brown.

Tinley Garden Club Plans to Beautify Park

Members of the Tinley Park Garden club who are planning beautifying Memorial Park by planting trees and shrubs are Mrs. Robert Memhard, president; Mrs. John Swisher and Mrs. John Panozzo.

The club members were guests of Mrs. I. Nielsen, of Palos Heights, last Thursday. A plate lunch was served. The table centerpiece was baby yellow mums and yellow iris.

Henry Bettenhausen, of Tinley Park, showed films of his trip to Europe last year. Points of special interest included in the films were the Leaning Tower of Pisa, Eiffel Tower, Arc de Triumpe, and the Old Coliseum of Rome.

Mrs. Swisher reported 930 magazines, a bag of ribbons, and silk hose were delivered to patients in Oak Forest Infirmary. She wishes to thank all who gave magazines.

The club has sent donations to the Red Cross and donated to the April Cancer drive.

The club has also donated a first aid kit to the Girl Scout troop.

Mrs. Richard Walsh was welcomed as a new member at this meeting.

The next meeting of the Garden club is being planned by Mrs. Lillian Zawadzki.

Members examined with interest an amaryllis plant with four large red blossoms, owned by their hostess, Mrs. Nielsen, who reported this was its third blooming, although the plant

Engaged

New Club House Nearly Ready

The clubhouse of Silver Lake Golf club, 147th street and 82nd ave., which was destroyed by fire three months ago, has been rebuilt into a modern structure which is expected to be completed this week. Looking over the blueprints of the new \$125,000 building, are Mrs. Grace Coghill, wife of the owner and manager; Ralph Anderson, architect; and John Coghill.

The building includes a modern golf shop, large dining room to seat 225, cocktail lounge with an 88 foot bar, private dining room, and spacious lockerrooms and showers for men and women.

Urges Drivers To Take Care

By WHITNEY CARTER

Our glorious summer is not too far away and if were possible to return to the early 1920's no doubt your driving would be a pleasure instead of a hazard as it is today with death stalking the highways.

Figures recently released by the National Safety Council places the total of 40,000 killed in highway accidents for the past year which is a sizable increase over the previous year. The number of injured run into millions.

Here are some things for all of us who drive to heed:

Be alert, be careful, be courteous.

Obey traffic laws.

Refrain from excess speed.

Do not pass other vehicles on hills and curves.

By driving carefully you not

only may save the lives of others but your own life as well. Remember, death is always stalking the highways.

Golf Equipment, Cash Stolen at Big Run Club

The clubhouse of Big Run golf course in Lockport township was burglarized last weekend and \$60 in cash and merchandise valued at \$257 was taken. The burglary was discovered at 6:20 a.m. Sunday. From footprints outside of the building, Will county deputies surmised one person was involved.

The \$60 in cash was taken from the cash register at the bar. Golf equipment taken included one Bullseye putter, valued at \$9.50; six dozen golf gloves, \$13.50; one set of woods, \$57; one set of irons, \$87, and 10 dozen golf balls, \$90.

Entry was made to the clubhouse thru a window.

Altho this may look like the line-up for the start of the Cherokee Strip run (in what is now Oklahoma) by junior homesteaders it is a group of Mokena young fry awaiting the starting gun in the annual Easter egg hunt. The hunt was staged in the old village park and the youngest children were given first chance at the eggs which meant, of course, there weren't too many left when the older hunters got into the act. The hunt is held each year under the auspices of the Mokena Lions club. Children being awarded cash prizes were, Linda Backer, Bobby Buske, Mary Hulburt, Roger Paben, Larry and Jerry Abbe, Kathy Fortman, Sally Zink, Robert Collins, Paul Helenhouse, Ken Fortman, Barbara Bernard, Richard Mansfield, Peggy Nelson, Billy Wilson, Michael Derrig, Gary and Don Williams, David Bills, Leslie Kimmel. Also Robert Bills, David Sizer, Billy Ihde, Nancy Grabash, George Forman, Dale Westlund, Jeffery Deal, Ron Corniels, Denny Cappel, Sandra Nelson, Donnie Bost, John Sluis, Eddie Paben, James Ihde, Debbie Fortman, Michael Shewski, Nancy Larson, Tommy Maitland, Allen Hostert, Shirley Walsh, Bob Maitland, Paul Dath, Roy Grabash, Larry Walschlaeger and Pat Nelson.

Dedicate Font As Memorial to T. Arthur Shoop

A baptismal font was dedicated in the Mokena Methodist church during the 10:45 a.m. Easter Sunday service, in memory of Mr. T. Arthur Shoop.

The font of light oak to match the altar, was presented by Bruce Shoop in memory of his

father and was accepted by Durward Fant, a layleader and Sunday school superintendent. The former traveled from Texas, where he is attending school, to make the presentation.

First to be baptized following the dedication ceremony was the granddaughter, of Mr. Arthur Shoop, Lisa Anne, 7-months old daughter of Mr. and Mrs. Steward Shoop.

Also baptized at this service was Janice Lynn Barenz, 3-month old daughter of Mr. and Mrs. Willard Barenz.

The baptismal font was presented to the church by the family and friends of Mr. Shoop who had served the church on the official board and as Church school superintendent.

Officiating at the service was the pastor, the Rev. Jerald Jackson.

Auxiliary Police To Hear Talk on Civilian Defense

Sidney Frisch, head of the civilian defense set up at Park Forest is to be the guest speaker of the Will County Auxiliary Police unit Sunday night at Ann Rutledge school.

The business session is to begin at 7:30 o'clock. Mr. Frisch's talk is scheduled for 8 o'clock.

The Park Forest civilian defense program is said to be one of the best in the state and Mr. Frisch will explain its operation. Officers of the auxiliary urge people in the area to attend the meeting.

The auxiliary is planning a square dance for May 11. It will be held in the Frankfort grade school at 8 p. m. and the public is invited.

If you are involved in a traffic accident the law requires that you stop, render all possible aid, send for ambulance or doctor if needed and call Police Officials if persons are killed or injured.

Across The Counter . . .

Many people put off buying the proper liability insurance, or try to get by on an amount far less than they really need in an effort to save money.

Naturally, saving money is an important objective, but like many things it can be overdone. In the words of a current business adage:

"Buying too little insurance to save money is like stopping a clock to save time."

Time goes by even if the clock is halted—likewise, your need for liability protection exists even though you channel your money into other purchases. It is just plain common sense to "face the facts" in insurance matters.

The "facts" are that in our modern world the possibility of injuring the body or property of another person exists every day. And the body or property of another person exists every day. And the "fact" that such injury was unintentional is not sufficient excuse. If you were in any way negligent, you may "in fact" face a major, damaging lawsuit.

Remember, a judge or jury will not try to "save money" for you. A decision has to be reached "on the facts." A judgment amounting to a lifetime of "savings" may be rendered against you.

The best solution is an adequate plan of liability insurance to protect your property and income. Call our office or stop by and let us explain how reasonably you may be protected.

Emerges Second Best in Debate With Officer

Claude Clay, 44, Lincolnwood, is charged with three offenses as a result of a disturbance at Frankfort Monday night.

According to the arresting officer, Frankfort policeman Arthur Prichart, Clay had been drinking and was abusing some people on the street. Prichart told him to turn off the language and go home. Clay is alleged to have invited the officer to arrest him.

Prichart obliged and told him he was under arrest. Then Clay asked why the policeman didn't lock him up. As Prichart reached for him Clay is alleged to have struck him over the head with an empty pop bottle. Prichart then slapped Clay over the head with a pistol and Clay subsided. A few minutes later he jumped in his car and locked himself up by slamming the doors.

Later on Clay went to Silver Cross hospital and had a couple of stitches taken to close a scalp cut. He was arraigned Tuesday before Justice of the Peace Wesley Hollstein at Frankfort and the case was continued until Saturday. Clay is represented by Attorney William Penn. Frankfort Village Attorney A. H. Krusemark said Clay was charged with disorderly conduct, resisting an officer and striking an officer.

Animals with long legs also have long necks in order to reach their food without bending their knees.

Tinley in National Little League

Form Five Major, Four Minor And Quartet of Farm Teams; Tryouts Scheduled for May 4

Tinley Park has entered the National Little League baseball association and will play under their rules and charter, announces league president, Reinie Meyer.

However, for the first year the charter is on a probationary basis and the local little league will not enter national competition. This is according to official rules of the national organization.

There will be a total of 13 teams in the local league, comprised of five major league, four minor league and four farm teams.

Tryouts for the various teams are being held Saturday, May 4, on the baseball diamond behind Bert Fulton school, 171st st., at the following hours:

Age 8-9 to 10 a.m. Nine year olds—10 to 11 a.m. Ten year olds—11 to 12 a.m. Eleven year olds—1 to 2:30 p.m., and 12 year olds—2:30 to 4 p.m.

Starting Monday, May 6, at 6 p.m. and each succeeding evening at the same time, including Thursday, practice sessions will be held on the same diamond. Managers and coaches of the various teams will watch the boys in action. On Friday, May 10, managers will bid for players on the point system, each manager being allowed the same number of points for bidding purposes. Phil Virtue is player's agent and as such will handle the team selections.

Troyouts for Pony League teams will also be held on May 4, at 10:00 a.m. More boys can be accommodate in this league for boys 13 to 15 years old. Any desiring to play, should try out at this time.

Starting Saturday, April 27, the Tinley Park baseball committee, will start a drive for funds to outfit the Pony league teams with uniforms.

The schedule for Little league calls for double-headers on Sundays. The major league team will play games on Tuesday and Thursday evenings; the minor league on Monday and Wednesday; and the farm teams, on weekday mornings.

Lincoln-Way Varsity Nine Loses 1st Game of Season to Eagles, 4-3

By FRED KIESLAR

The Lincoln-Way High school baseball team dropped their first game of the season to Carl Sandburg on April 15, by a 4-3 score.

Rainy weather caused cancellation of four previously scheduled games and all area schools are behind schedule.

The teams were evenly matched for the first four innings, but in the fifth inning, the Sandburg Eagles scored two runs on two walks, a single and a wild pitch.

Rich Bailey, center fielder, took over the mound for the Knights in the sixth inning. Other changes moved Bob Hughes to center field, Edward Woodward to right field, and Bill Dusek, behind the plate.

The seventh inning was the best for the Knights, as Rich Bailey was safe on an error by the right fielder; Ron Fredin doubled and reached third on the throw into the plate, Bailey

scoring. Ron Studnick singled, Fredin stayed at third. Studnick stole second, putting men on second and third with nobody out.

A single by Madsen scored Fredin, Studnick moved to third and scored on the throw, Madsen moving to second to put the Knights out in front by one run.

Ed Woodward then struck out and Madsen stole third. Denney Wheeler walked, Bill Dusek struck out. A walk by Bob Hughes, loaded the bases. An infield fly to the shortstop put Al Mager out to end the L-W half of the inning.

The score was again tied when Jerry Gorman of the Eagles tripped and a sacrifice by Bob Chatlosh, brought in a run. Dale Erickson walked, stole second, went to third on a single by Ed Siemsen, and scored on a wild throw to end the game with the Eagles on top.

MARLEY

Mrs. Virginia Sass
New Lenox 3133

The Marley Missionary society met in the church Wednesday afternoon. Mrs. Harry Swanzy, of Joliet, Aurora Association foreign interpreter, was the speaker. Her talk was a review of three books: "Baptists in the Church in South East Asia," "North From Burma," and "Baptists in the Philippines and Thailand." The devotions were presented by Mrs. Edward Sproat. The president, Mrs. James Tilsy presided during the business meeting. It was announced that the Ways and Means committee will sponsor a luncheon to be held in the church Tuesday, May 14. Tickets may be purchased from members of the committee. After the meeting refreshments were served in the dining room by Mrs. Joe Bruns, Mrs. Charles Sievert, Mrs. Charles Dale, Mrs. Richard Been and Mrs. Carl Wegner.

Mr. and Mrs. Clarence Berg and daughter Louise spent the Easter weekend with relatives in Ohio.

Mr. and Mrs. Harry Rogers and family of Cincinnati, Ohio, are visiting friends here this week.

The Rev. and Mrs. Herschel Aseltine of Hamilton, Ontario, Canada, are the parents of a daughter born April 15. She has been named Alice Lynn. The Rev. Mr. Aseltine is a former pastor of the Marley church.

Mr. and Mrs. Edward Sproat and daughter Bonnie entertained at a dinner in their home Sunday. Guests were Mr. and Mrs. Charles Lauffer, Mr. and Mrs. E. D. Gillette, Miss Bessie Sproat, Mr. and Mrs. Russell Lauffer and family, Perry Bishop, Glenn Sproat and Harry Sproat.

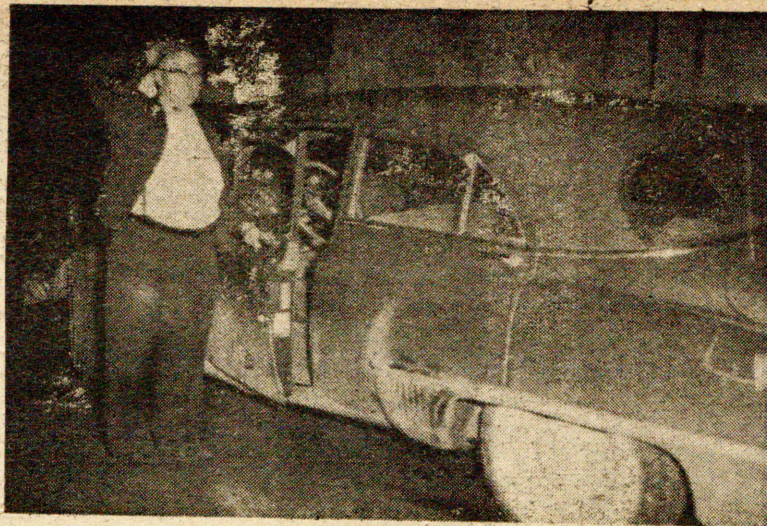

Mrs. Robert Sproat and daughter Laurel were visitors Sunday afternoon of Mr. and Mrs. Herman Graening in Joliet.

Mr. and Mrs. Clayton Cleveland and family were dinner guests Sunday in the home of Mr. and Mrs. Edward Malnar in Tinley Park.

The Rev. and Mrs. Ray Hamer and family had as their dinner guests Sunday, Mr. and Mrs. Robert Nolan and family of Chicago; Mr. and Mrs. Dean Taylor and family of Tinley Park; Mr. and Mrs. Roy Walker and family and Mr. and Mrs. Garret Cummins of Alpine.

What to Do Until The Wrecker Comes

What one does when a train is bearing down on his automobile was the more immediate problem for Fred Rasmussen, of Frankfort last Saturday evening. He was crossing the Michigan Central tracks on Wolf road, about 5:45 o'clock when his car stopped and refused to start. Rasmussen climbed out and tried to push the vehicle one way or the other while all the time a New York Central freight train was approaching the crossing. Rasmussen finally gave up and stepped to one side. He was unable to get the car off the tracks but the train solved that problem for him. Fortunately the engineer had slowed the train to practically a walk and the locomotive nudged the auto clear of the tracks. The damage was not too great and is expected will be covered by insurance. (Marvin Smith Photo)

Charles Ingram and daughter now have a beautiful leather bound memorial record book—a gift from Miss Caroline Tilsy. On each sheet Miss Tilsy has recorded the name of the person to be memorialized, the date of birth and death, and the nature of the memorial. This book is now a sacred part of our church and has been placed in a walnut stand made from a table which had belonged to the Fred Blodgett family and which had been made from a walnut tree on their farm. Some memorials have been given to an accumulative Memorial building fund which will be for a future memorial addition to our church. Memorials given in the past have been the electronic organ, the electric lights in the sanctuary, the organ candelabra communion service, outdoor bulletin board, two electric clocks, chair set for the pastors study, and Haley Park.

The Marley BYF will have a roller skating party Friday night April 26 at Tinley Park. Members are welcome to invite friends and anyone who is interested is cordially invited to go also. The group will leave the Marley church at 7:30 pm.

The Freeman Fellowship will meet at the home of Mr. and Mrs. Harwood Stellwagen Sunday night, April 28. Members are to bring their wedding pictures.

The Marley youth choir will sing during morning worship in the Marley church, Sunday.

This message from the Memorial committee of the Marley church was enclosed in the church programs Easter Sunday morning: "Several years ago there arose in our church a need for a Memorial committee to set up a plan whereby families and friends could provide memorials to their loved ones. This committee felt that they should properly record the names of those for whom the memorials have been given and that this record should be a permanent place in the church. We

Letter to the Editor

Dear Editor:

Since the first of the year I have been trying to get the people of the United States to write their Congressmen and Senators and also the President, demanding economy and a cut in taxes. President Eisenhower is setting up several new bureaus which will call for more and more money each year. All of these should be cut out of the budget.

The Hoover Committee showed where four billion dollars could be saved in the budgeting and accounting departments and two billion more saved by putting the military on a business basis. These items should go toward tax reduction.

The federal government owns 200 billion dollars worth of private enterprise businesses that are not paying any taxes. It takes our tax dollars to keep them operating. These should be sold and applied to our public debt because they are competing with private enterprise. Six to ten billions in taxes could be saved in this manner.

The total budget for the federal government is 71 billion, 500 million dollars. The government has, at this time, unspent money totaling about 70 billion dollars that has already been appropriated but not spent. Fellow Americans, do you realize that the budget for federal, state and county governments amount to 140 billion dollars for this fiscal year? This means that we are paying for government one-third of all we make or collect. If you want to continue this way that is your business, but unless you and I force a reduction in government expenditures it can mean only that the dollar will be stretched until it is nothing, and then we will have a depression far worse than ever occurred before in the history of the world.

Please write to the President, and to your congressmen and senators today, demanding a cut in the budget and a cut in taxes. This is no time to be a politician. We need true Americans. This is no time to be weak or careless. We must all demand economy in government.

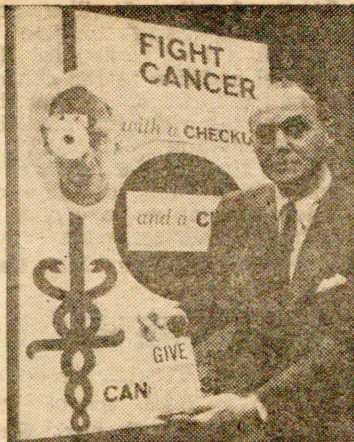

Yours very sincerely,
Bailey T. Tally, M.D.

Women's Clubs Aid in Mental Health Program

Mrs. Otto Danek, Chicago mental health chairman of the third district, Illinois Federation of Women's clubs, has announced that orientation classes for volunteers at Manteno state hospital, will be held on May 2 and May 9 from 10 a.m. to 4 p.m. at the hospital. The volunteer supervisor would welcome a personal interview with prospective volunteers a week prior, if possible, it was said.

On Sunday, April 28, open house will be held at the hospital from 1:00 p.m. to 4 p.m. Tour have been arranged and a program will be presented as part of the national observance

Urges Aid

National Campaign chairman, Walter J. Kohler, Jr., of the American Cancer society is urging the contributions, not yet sent to the workers, to do so at once. So far the contributions have reached \$408,300.00 or 25 percent of the 1957 goal.

Mrs. Florence Memhard and co-workers, Mrs. Thomas Ferguson and Mrs. R. J. Hug, of Tinley Park, state the workers on this drive in Tinley Park are making a house to house canvas, in order to bring the drive to a close. They are anxious to have a good collection so as to aid in overcoming this dreadful illness, that is no respecter of persons.

of mental health week.

Departing from the practice of previous years when each hospital department had its own individual exhibit, this year's exhibits will be grouped so the public may in essence travel with patients "the road to recovery"—visualize the events that take place in the patient's life, as the patient is admitted to the hospital, receives the benefit of treatment facilities then is prepared for discharge and return to his home community.

The exhibits will show the role all departments—non-medical as well as medical—play on the hospital's treatment team.

As a follow-through, bus tours of the hospital grounds will permit visitors to see the actual facilities shown in miniature in the auditorium exhibits.

The formal program starting at 2 p.m. will be highlighted by presentation of awards to Manteno's outstanding psychiatric aids for 1956, and an address by Dr. Francis J. Gerty, since 1941 head of the department of psychiatry, university of Illinois college of medicine, and director of the psychiatric division, neuropsychiatric institute, University of Illinois.

4-H'ers to Get Larger Premiums For Fair Exhibits

Gov. William G. Stratton has signed a general assembly bill which will provide larger premiums for Illinois 4-H Club members who exhibit at county

fairs.

The new law increases by \$150,000 the amount of state funds supplied for county 4-H Club contests for premium awards. This amounts to a premium fund rise from \$3 to \$4.50 per club member in agricultural

A SINCERE THANK YOU

to all men and women of New Lenox who cast their
vote for me as village trustee at the election April 16.

Respectfully,

KEITH HOSSASK

"Lo, and Behold", a 3-act comedy to be staged by the Footlight Theater group in the Farragut school (Wilcox and Glenwood ave.) auditorium at Joliet May 2, 3 and 4, is now in rehearsal under the direction of Lois Loebe, of New Lenox. In the picture here, left to right, are Mary Greenman, also of New Lenox, who is in charge of the wardrobe for the production, Mrs. Loebe and Georgiann Goodson. Lew Loebe is one of leading men and David Cook dramatics, teacher at Lincoln-Way, has one of the major supporting roles.

State Plans Training Course In Engineering

The state division of highways in concert with the University of Illinois, will conduct an engineering technician training

course for high school graduates this summer, according to an announcement by Gov. William G. Stratton. The course, to be offered on the university campus at Champaign-Urbana, and at Navy Pier, Chicago, will run from June 16 to August 31.

This instruction is planned primarily for high school graduates who have completed courses in algebra and plane geometry and who do not have the money to go to college.

Some 200 students will be accepted on the basis of an examination to be given by the University of Illinois. Those chosen will begin drawing pay at the rate of \$250 a month, beginning June 16, 1957. On finishing the course they will get higher pay and assignment to work in the division.

The growing highway building program is creating many places for men able to handle subprofessional engineering work.

IS THE SIREN BLOWING FOR YOU?

Mokena Community Vol. Fire Dept.

As in the past we are enclosing the customary two dance tickets for your family. Each and everyone who registers with these donation receipts or who attends the dance and signs their admission ticket will have an opportunity to receive free gifts and other items of good value. All school children old enough to dance will be admitted free with their parents as usual, as the affair is an outstanding family event.

This year will be no exception as to refreshments - all food and soft drinks will be at nominal cost.

All our new neighbors who have not attended our annual dances in the past, please attend this one. Along with having a genuine good time your help will provide us with our operation funds.

In this organization as in other organizations which depend on the many small donations to exist, there are always some and from our records it is the same ones each year, who don't give us their support. After this drive we are going to ask the officers and active firemen for permission to drop these names from our records. It will save unnecessary expenses of printing and postage, also the work of preparing the envelopes and keeping the files up to date.

To these persons when you see the truck leave the station don't wonder if it's on its way to your place, it will be if needed.

We know also that there is always illness and other hardship among us. We cannot expect donations from these people. Should you know of such a case where there are youngsters of dancing age please let us know. They will be more than welcome as our and your guests.

Make donations at Cooper & Hostert Garage or Boleman Drug Store or by mail to Eric G. Book, Treasurer, Mokena, Illinois.

Thanking you in advance,

Dance Committee

FOR INHALATOR
CALL MOKENA 2121

Special services will be held in the Park View Baptist church this Sunday at both morning and evening services. The Rev. William Turnwall, secretary of Home Missions for the Baptist general conference of America will be the speaker. The senior choir will sing. In the evening a sing-spiration will be lead by Agnes McNeil, leader of an A Cappella choir in Chicago. Mr. and Mrs. McNeil will also sing a duet. Everyone is invited.

When Mr. and Mrs. Art Eggers and son got in their car after attending services in St.

John's Evangelical church last Friday night, they found some one had entered their car and stole their two new flash lights. The car had been parked at the church and was unlocked. The Eggers thought that if parents noticing that their child had a new flash light, might be interested in questioning them about where they obtained it, and thereby perhaps might locate the Egger's lost property.

A son was born to Mr. and Mrs. Paul Looschen, Saturday in Silver Cross hospital. He weighed six pounds nine ounces.

Mr. and Mrs. Albert Cappel were dinner guest Sunday of Mr. and Mrs. Wesley Cappel.

Mr. and Mrs. Henry Shevlin, Mr. and Mrs. James Horras, Mokena; Mr. and Mrs. Bert Fulton, Mr. and Mrs. Emory Fulton and children of Tinley Park spent Sunday with Miss Florence Shevlin in Chicago.

Mr. and Mrs. Mearl Brookman and children, Richard, Lathleen and Candy of Springfield, Mo. and Mr. and Mrs. Art Went-sloff and Mrs. Mary Kuch of Brookfield spent Easter with Mr. and Mrs. Henry Clark and son.

Mr. and Mrs. Adelor Coyer of Chicago spent several days here this week with the Dean Rueckert family. Mrs. Coyer and the late Mrs. Emily Rueckert were sisters.

In honor of their son Billy and his 11th birthday, Mr. and Mrs. Russell Anderson entertained in their home Saturday afternoon the members of his Cub Scout den and a few friends. Games were enjoyed followed by refreshments. Those present were Tommy Hamilton, Tommy Fee, Rudy Arnold, Allen Guth, Jimmy Gorman, Timmy Hull, Donald Teague and David Howell.

Mr. and Mrs. John C. Smith, son Terry motored to Hamilton, Ohio where they spent the week end and Easter with his aunt.

Mr. and Mrs. Russell Anderson and family motored to Gary, Ind., Sunday where they were guests of his mother, Mrs. Anna Anderson and of his sister, Mr. and Mrs. Joseph Garcia and family.

A son was born to Mr. and Mrs. Elmer Williams, 189th and Wolf road in Silver Cross hospital.

Mrs. Vivian Shoop entertained relatives at dinner in her home Sunday following services in the Methodist church when her granddaughter, Lisa, seven month old daughter of Mr. and Mrs. Steward Shoop was baptized. Present were great grandparents Mr. and Mrs. J. B.

Halliwell, Chicago and Mrs. Grace Shoop, Aurora; Mr. and Mrs. George Marshall, New Lenox, grandparents; also Mr. and Mrs. Alfred Fox, Mr. and Mrs. Frank Rich, Mr. and Mrs. Wayne Gates all of New Lenox; also Mrs. Deedie Moore, Lewis Gillette, Aurora; Mr. and Mrs. Frank Marshall, Lockport; Mr. and Mrs. Donald Riemer, Joliet; Bruce Shoop, Texas, Sue Ann Shoop.

Mr. and Mrs. Harold Cooper entertained at dinner Easter Sunday to honor the baptism of their granddaughter, Janice Lynn Barenz, three months old daughter of Mr. and Mrs. Willard Barenz. Guests were Mrs. Emma Cappel, Mokena and Mrs. Katie Kohlhausen, New Lenox, great grandmothers; Mrs. Madeline Barenz and daughter Marjorie, Miss Marilyn Cooper and Wesley Sievert, god parents, the Rev. Jerald Jackson and Mr. and Mrs. Willard Barenz.

Mr. and Mrs. Ray Westlund and Dale, Mr. and Mrs. Marvin Smith, Mrs. Clida Deadmore and Mrs. Margaret Semmler, and the sister of the two, Mrs. Emilie Campbell of Seattle, Wash. their brother Theodore Oestreich and Mr. and Mrs. Robert Oestreich and family, and Mr. and Mrs. Ronald Watkins and son Michael all of Joliet enjoyed Easter dinner at the White Fence farm near Joliet. The occasion also celebrated the 83rd birthday of Theodore Oestreich. After the dinner the group gathered in the Oestreich home in Joliet where a pleasant evening was enjoyed.

James Fleming, who makes his home with his daughter, Mr. and Mrs. Roy Richardson, was removed to Silver Cross hospital Monday following a fall in his home. Mr. Fleming suffered a slight paralytic stroke a few years ago which left one side partially affected. He is having x-rays taken.

A letter from Mr. and Mrs. Morry Larson states they have arrived at their new home in Phoenix, Ariz. after dodging tornadoes, sand storms and rain. They are delighted to learn their next door neighbors are former Joliet residents. Even though they did not know each other in Joliet, this is a friendly tie.

CHECKUPS URGED

You can strike a double blow at man's cruellest disease—cancer. First have regular health checkups as your best cancer insurance. Then give generously to the Cancer Crusade of the American Cancer Society to support national programs of research, education and service.

FARM NEWS

For
Cook County
by
W. F.
Whiteside

assistant farm adviser

The South Cook 4-H Fair Association board of directors is making plans for the 1957 4-H Fair. The fair will be held near Chicago Heights Aug. 16-18. Floyd Adair, Chicago Heights, president of the board, says that the fair will be comparable to last year's event, however, it is hoped that the weather will be somewhat better.

The Fair Association provides considerable support at 4-H activities in southern Cook county. A sizeable contribution has been made to 4-H camping over the years. Currently the association provides adult camp counselors who help with the program at Camp Shaw-waw-nas-see.

Reservations for Camp Shaw-waw-nas-see will be taken until the first of May.

The 4-H Share-the-Fun festival will be held May 14, at the Homewood Village hall.

Ronald Kollman, Harvey, former 4-Her's and 4-H club congress delegate from this county dropped in for a visit today. He is attending the college of agriculture, University of Illinois. College life seems to agree with him. He assured me that the experience gained in 4-H club work is helpful at college.

What to use as a substitute silage crop for corn in the corn allotment program? Some farmers have been considering forage sorghums.

Palatability is about the same as corn. Feeding value is somewhat lower. Yields is near that of corn or slightly above.

Varities adapted to Northern Illinois are Norkan, Axtell and Early Sumac. Only treated, certified seed.

If you are thinking of planting shrubs this spring, give them enough room to grow and spread out without being crowded. Your nursery can tell you the proper distance to plant.

You might consider planting some shrubs from the house. These plantings will eliminate the stiff effect you get when all the shrubs are cramped against the house.

Applications for payments under the 1956 wool price incentive program must be filed with county ASC committees by April 30.

These applications should apply to any wool sold between April 1, 1956, and March 31, 1957. Wool sold after March 31 will be eligible for 1957 program payments to be made next year. Visit the ASC office for full details.

It will soon be time to move outdoors and eat barbecue style. Maybe you don't have a barbecue pit. If not, you can get plans (U. of I. No. 460) for several different types using several kinds of construction. Write the Department of Agricultural Engineering, University of Illinois, Urbana.

Radox looks promising for controlling giant foxtail. It is a premergence chemical (that is, you must apply it before the grass comes up). Except on sandy soils, it can be used on either corn or soybeans with no danger of reducing germination. It will kill annual grasses but is not recommended for broad-leaf weeds or perennial grasses like quackgrass or Johnsongrass. One way to reduce application costs is to use a band treatment over the row. Many farmers are rigging up their corn planters with a spray nozzle just behind the packer wheel.

You can't cure cancer by pills, powders or the phony promises of quacks. Only your doctor can diagnose and treat cancer, the American Cancer Society says.

It is illegal to start through an intersection when either the red or yellow light is showing against you.

Help support the American Cancer Society's three-pronged attack of research, education and service to cancer patients. First have regular health check-ups to detect cancer in time. Then give to the ACS Cancer Crusade to help others.

new services and spending programs which take added personnel to administer. The very best encouragement to keep public payrolls from climbing would be a clear indication from the people that they are willing to give up some of the frills and

government programs.

In other words, a slogan worthy of adoption would be "I'll take less from government, if government takes less from me."

Many Feed at Public Trough

The number of public employees in Illinois keeps climbing, the Taxpayers' Federation of Illinois reported today. Latest U. S. Bureau of Census figures show that in three years the number of tax supported positions in Illinois has risen by 24,000. All of this increase is in local and State government employment; Federal positions having decreased during this period.

In October 1953, there were 42,982 State employees; for the same month in 1956, 52,654 were reported. Local government employment rose from 198,221 to 216,864 during the same period. Federal employees in Illinois decreased from 105,567 to 101,252.

Frequently larger public payrolls are justified on the grounds that the State population is increasing. The increase in state population seems to have but little bearing, however. Relating the number of employees to the state's population shows that in 1953 there were 265.6 public employees for every 10,000 residents in Illinois. In 1956 the proportion rose to 285.7. This means that nearly one out of every 10 employed in Illinois labor force is a government employee.

The citizen has been largely responsible over the years for the increase in the number of government employees. He has pressured his governments for

Laguna Woods

Mrs. Robert Anderson
Fieldbrook 9-2857

The evening of April 16, the ladies from Laguna Woods were invited to the home of Mrs. R. Anderson to play "Crazy Bunco." Those who attended the first meeting were Mrs. H. Anderson, Bell, Niebrugge, Militello, Hegyi, Arnold, Woodbury, McBride, Manos, Karre, Nelson and Tabbert.

The April meeting of the Laguna Homeowners was held at the Orland Park school with Mrs. R. Leeland and Mrs. M. McBride as hostesses.

Early morning "dog walkers" in the neighborhood are Bruce and Skipper Niebrugge, walking boxer "Taffy." Norman Hegyi with "Lady" in the "lead."

Mr. and Mrs. William Donohue and daughter Nancy Carol are expected to make Laguna Woods their permanent address as of this Friday.

Mr. and Mrs. Thomas Verhagen have added a large picture window in their living room which enables them to view their beautifully landscaped back yard.

An Easter egg hunt was held on the lawn of Mr. and Mrs. Al Karre Sunday. Debbie and Julie Karre were hostesses to the children from Laguna Woods as the Easter Bunny had 150 eggs hidden around their home. It seems that the active little bunny does this every year at the home of the Karres.

Quite a number of our neighbors spent a quiet Easter with their family and friends at home in the Woods. Others spent the day away from home. Mr. and Mrs. J. Nelson and Janine, spent Easter with his mother Mrs. Nelson of Palos Heights; Mr. and Mrs. H. L. Woodbury were the guests of his brother Mr. and Mrs. Francis Woodbury at Des Plaines, and the Robert Andersons and son Charles Harris were guests at a family dinner in Custer Park, at the home of Mr. Anderson's grandmother, Mrs. D. Ruter.

Art Arnold and sons, John and Don are the owners of a new out-board motor boat, the "June Bug". The boys are to keep the craft ship shape and we all expect the "Cap'n" to relax and enjoy himself!

John Arnold and several of his pals are really enjoying their summer vacation this year. The boys are camping out and doing their own cooking at various southern State Parks. Last we heard they were enjoying themselves in Tenn.

Easter Sunday Cheryl Lyn Robison, daughter of Mr. and Mrs. William Robison was christened. The christening was held in the home of her maternal grandparents, Mr. and Mrs. John Tabbere. Godparents were Miss Sandra Glawe, Albert Ramlow (Mrs. Tabbert's brother) and Miss Joan Robison. The Rev. Sommers of St. John the Devine officiated.

Scene on the big pond last around the edges bare-foot. X week; Kennie Hegyi launching a canoe and enjoying a swim on a very warm day. Also several of the younger children paddling.

Mrs. John Tabbert sang at the Sunrise service Sunday at the Church of the Good Shepherd. "Woodie" wasn't above ground much Saturday as he was busy installing pipes under the

house in order to convert to gas. If, in passing the Anderson's sometime this summer you should notice several dead looking stalks stuck in the window planter, don't gasp, its wilted asparagus, they are surprise Lilies. The leaves of the plant are in bloom now, a stalk appears as the leaves die and a lovely flower blooms, (we hope).

ORLAND PARK

Mrs. Sherman Knox
Orland Park: Fieldbrook 9-0211

Thirty dozen fresh eggs were delivered to the Methodist Old Peoples Home on Foster ave., Chicago, Saturday by Mrs. Karl Ekberg. This is an annual project of the Woman's Society of Christian Service. There are a few dozen eggs on hand and unless more are forthcoming, cash will have to be sent to Lake Bluff Childrens home. Cash is also acceptable, and in case some were unable to send eggs they may send money to Mrs. Karl Ekberg.

Mrs. Karl Ekberg, president of Orland Park Woman's club, Mrs. Robert Horn, Mrs. Frank Buck and Mrs. Sherman Knox and members of Forest Ridge Woman's club served Easter breakfast to the patients connected with the occupational therapy shop in Oak Forest, April 18. Twenty seven dozen eggs were colored and served warm with buttered and sweet rolls, candy eggs and coffee. After the breakfast the ladies toured the shops, chapels and the nurses home.

Mrs. Ferd Shrank entertained relatives at a party Saturday, honoring the birthdays of their son Peter and daughter Susan.

Mrs. Annice Eckert is being congratulated on the birth of a granddaughter, Sunday, April 14 at Little Company of Mary hospital, Evergreen Park. The infant weighed 6 lbs. 2 oz. and has been named Barbara Marie.

Her parents are Mr. and Mrs. George Eckert of Oak Lawn.

Mr. and Mrs. Elmer Kettering of Aberdeen, South Dakota, who have been wintering in Florida, stopped enroute home, at the home of his sister, Mrs. Dave Agate. They are enjoying visits with friends in Orland Park.

Bonnie Heis of Bensonville, spent the week with her grand-

mother, Mrs. Annice Eckert.

Raymond Myrick underwent surgery Friday morning April 19 in Silver Cross hospital, Joliet. He is doing nicely and expects to be home Tuesday.

Miss Lillie Mattsen entertained relatives at Easter dinner. They were Mr. and Mrs. Emil Zemebenski, Milwaukee; Mrs. Marie Koubenec, Mrs. Elmer Anderson, Mr. and Mrs. Raymond Mattsen and four daughters, of Batavia; and Mrs. Raymond Myrick and daughter Dorel of Orland.

Mr. and Mrs. Arthur Oake, and son David of Chicago, Mr. and Mrs. Wallace Yunker and children of Mokena and Mr. and Mrs. James Gray and children of Orland were Sunday dinner guests of their parents, Mr. and Mrs. Walter Yunker.

Mr. and Mrs. Robert McCarthy are parents of a third son, born April 11, in Holy Cross hospital, Chicago. The baby has been named Wesley Michael. His brothers are Danny, 6, and Tommy, 5.

Mary E. Blewett, a graduate of Carl Sandburg high school and now a student at the Illinois university, is among the 1,592 students who will be honored at the annual Convocation ceremony May 3.

Legion Posts To Get Report on Red Activities

The American Legion, department of Illinois, Anti-Subversive Commission for the 10th year will sponsor the annual counter-subversive Seminar in the city of Chicago at the Morrison hotel, Sunday, April 28. The purpose is to acquaint members of the nearly 400 Posts in the Chicagoland and surrounding area as well as the many loyal citizens with the progress communists and those that assist in the program have made over a period of years.

The principle speaker will be

Richard Arens, director of the United States House of Representative, Un-American Activities Investigation Committee, who has for many years served as the director of the United States internal security committee. Mr. Arens, no doubt, has a tremendous knowledge of subversive organizations and individuals who are among the most potent elements within the communist international conspiracy.

Other speakers will be State Senator, Paul W. Boyles, Walter E. Wiles, a former assistant U.S. district attorney, and an outstanding U. S. Constitutional lawyer; The Rev. Arpad A. George, pastor of the South

Side Hungarian Evangelical Reformed church and others.

The time of the Seminar will be from 9:30 a.m. to 4:30 p.m. and no registration fee will be requested.

A luncheon in honor of Mr. Arens at the Morrison hotel will be served at 12 noon. It is estimated that more than 1000 men and women will be in attendance.

HOMER

Lockport, R. 1
Telephone Lockport 1387M

The Wayside Workers' circle of King's Daughters will meet in the home of Mrs. Walter Kettering, Washington st., Lockport Thursday, May 2 at 1 o'clock. A plant sale will be a special project for the day.

The Homer Men's club will sponsor an auction of miscellaneous items in the barn at the Otto Konow Sr. farm, Saturday evening, May 4. There will be an offering of household articles, used furniture, pets, baked goods, farm equipment, an old car which is in running condition, and other things too numerous to mention.

The Men's club will meet Thursday evening, May 2 in the church to make final arrangements for the auction.

The John Hollister family were Easter dinner guests of Mrs. Hollister's mother, Mrs. E. Baker in Joliet.

The Rev. and Mrs. A. E. Talbert and family of Huntley called on Homer friends Sunday afternoon.

At a well attended service Easter morning, eight persons were welcomed into the fellowship of Homer church. They are Mr. and Mrs. Frank Townsend and son Thomas, Mr. and Mrs. Lester Erdman, Mr. and Mrs. Ralph Reiter, Jr., and John White of Joliet. The infant son of the Erdmans was baptized during the service.

The Pilgrim Fellowship served breakfast in the church with Mrs. George Burcham and Mrs. Chester Filipowicz supervising.

This group will meet next Sunday afternoon in the church at 3 o'clock, directed by the Rev. and Mrs. David Muth. All teenagers are invited.

Funeral services were held Thursday morning at the Goodale Funeral Home for Mrs. Mary Trantina, aged 81, a long time resident of Homer twp. Death occurred in her home in Homer April 15 after a brief illness. Burial was in the Bohemian National cemetery in Chicago. The Rev. Robert Core of Lockport officiated.

She is survived by her husband, Frank; 3 daughters, Mrs. Marie Welter of Brookfield, Mrs. Julia Poledna of Berwyn and Mrs. John Else of Homer; by 4 sons, William of Homer, Frank Jr. of Leroy, George of Brookfield, and Charles of Homer; nine grandchildren and four great grandchildren.

Mr. and Mrs. Frank Paul who are building a home on Homer rd. and who are now living on Collins st., Joliet, recently had their home burglarized by a 13 year old boy who obtained \$77. The lad was apprehended and was found to be a charge of the Chicago Children's Welfare bureau who was living in Joliet.

Word has been received of the death of Fred Hilbert, 71, of Niles, Mich., who died in a Grand Rapids hospital April 16. He was the husband of Minnie Konow, a former Homer resident, who survives him, as do a son and a daughter. Burial was in Michigan.

He was a railroad engineer for 40 years, retiring five years ago. The family lived in Joliet for 35 years, moving to Michigan 17 years ago. He was a brother in law of Otto Konow, Sr., Walter and Herman Konow all of Homer.

Permits have been issued for three new homes in Homer twp. One was obtained by Walter Haley for a seven room frame on Bell road, one by W. M. White for a four room frame on King road and the third by George T. Flint of Evergreen Park for a five room brick veneer on Will-Cook road.

Mrs. Jessie Filipowicz, R. 2, Creme rd., was a member of the petit jury last week.

Mrs. Henry Rodgers underwent surgery in Silver Cross hospital during the past week. She expects to be back at her teacher's desk at Wells Corner school after Easter vacation.

Mrs. Bell Storm was hospitalized for a few days last week.

Miss Kathie Bier also was a hospital patient for a few days recently.

Miss Anne Brunskol of Joliet visited Mrs. Ira Anderson Tuesday.

Mr. and Mrs. George Burcham and son Billy spent a few days this week as a guest of his sister near Gilman, Ill.

Mrs. Edna Mergler visited last week in the home of her sister Mrs. Beatrice Wilson in Chicago, helping her celebrate her birthday.

Mr. and Mrs. Amos Conrad and children of Chicago were Easter visitors in the George Burcham home.

Larry White and Billy Trantina were quite badly injured Saturday evening when a tire blew out on the truck which Larry was driving, causing the machine to roll into the ditch where he hit a tree and a culvert. The truck was badly wrecked. The boys were removed to the hospital by John Hollister who was passing when the accident occurred, on Rte. 7, near Cook's lumber yard. Larry was x-rayed for a bruised back, neck and chest and both boys were treated for various hurts and allowed to return home that night. Billy's knee was hurt and he was treated later. Both are recovering nicely.

The Homer-Lockport Home Bureau unit met Wednesday of this week in the home of Mrs. Helen Brown. "Broiler Meals" was the topic presented by Mrs. G. N. Holloway and Mrs. Phil Barclay.

Edna Mae Burcham was entertained at 6 o'clock dinner in the home of her friend, Iris Filipowicz, in honor of her birthday anniversary, April 12.

The Little Women's 4H club met the evening of April 10 in the Elwyn Cagwin home. Joan Kelm demonstrated the bandaging of a sprained wrist and

Joyce Schifler showed how to also bird bander, will conduct make pie crust. A talk on first aid was given by Bonnie Cagwin. A new member, Bonnie Bensing, was added to the group.

Sauk Council to Visit Lemont Sunday On Nature Tour

The Sauk council of the Illinois State Museum will hold a Spring wild flower and bird trip, Sunday, April 28 at Black Partridge Woods, Bluff road, first street north of the canal in Lemont. The trip will start at 1:30 pm. Visitors are always welcome.

MRS. WHITE: "Electricity may cost less today... but how come my bill's higher?"

LITTLE BILL: "Because nowadays you're using nearly 4 times as much electricity, Ma'am!"

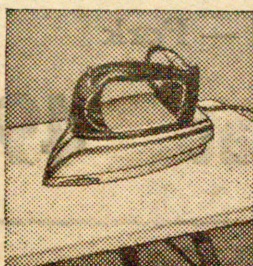

Look what pennies do today
when you live the modern electric way

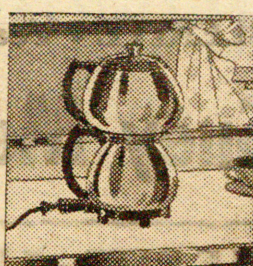

Just 1¢ cooks breakfast eggs for a week (for a family of 4) in an electric frypan.

A penny brings you over two hours of wonderful television entertainment.

Your steam or dry iron makes quick work of ironing for just 1½¢ an hour.

Brew 16 cups of coffee in your automatic electric coffeemaker for only a penny.

The Lincoln Log

At the annual convention of the Future Teachers of America held April 12 and 13 in Normal at I.S.N.U., Tom Dunham was elected state treasurer for the organization for the year 1957-58. A great deal of campaigning was done by the group attending from L-W. He was introduced and his qualifications were given in a skit with

Tom Dunham

Helen Sheridan, Doris Smith, Sharon Cappel, Margie Ardaugh and Pat Bradley. Tom Dunham, Tom's twin brother, gave the nominating speech. The group felt well rewarded at their candidate's victory, especially since his opponent was a college man, and had the backing of a large college contingent.

Those from Lincoln-Way who attended were Tom and Ted Dunham, Doris Smith, Petra Reinhard, Barbara Rollings, Pat Bradley, Helen Sheridan, Margie Ardaugh, Sharon Cappel, Barbara McCoy, Paula Muehler, Gailyn McCoy, Lavonne Erdmann, Pat Boleman, Patty Dath, and Jackie McGinnis. Teachers accompanying the group were Mr. Dieken, Mrs. Hussey and Mrs. Welch.

L-W STUDENTS HONORED

April 13, the Phi-Chem Association and the Biology club of

Lincoln-Way represented the school at the district meeting of the Illinois Junior Academy of Science which was held at J. Sterling Morton high school in Cicero.

In competition with over 650 projects from some 50 schools, the Lincoln-Way students received 6 first awards, 4 second awards, 4 third awards, and 1 honorable mention. Donald Korsgaard, for the third time this year, received a first award for his chemistry project "Silver Recovery". Others who received first awards were Allan Mager, "Vitamin C-Source and Synthesis"; Richard DeForest, "Penicillin, How it is Made"; Pat Bradley and Dona Anderson, "Life Processes of Paramcium and Ameba"; and Dennis Becker, "Breeding, Training and Structure of Parakeets." The Phi-Chem Association also won a first for its excellent exhibit explaining the scientific program during the past year.

Other participants were Dennis Wheeler, Bill Hathaway, Ted Dunham, Tom Dunham, Tom Dusek, Terry Barnes, Barbara Machtemes, Diane Sorenson, Marilyn Sayers and Vivienne Eisenbrandt.

All first place winners are eligible for competition at the state meeting in Normal May 3 and 4. These students are under the guidance of George Abraham and H. Neil Hardy of the Lincoln-Way science staff.

Mr. Hardy is senior chairman of judging for the state meeting in Normal, and will be responsible for the publication of the 1958 yearbook of the Illinois Junior Academy of Science.

FFA PARLIMENTARIANS

The Section 10 FFA held their annual parliamentary procedure contest at Lincoln-Way High school on Friday, April 12.

The contest consists of competition in the skills of conducting a business meeting. A team consists of office contestants from a school. Each team has a chairman, secretary and three floor group members. Team members can earn points during the contest by proper use of various kinds of motions and discussion. Each chairman is in charge of the business meeting for a definite period of time. Each team secretary records the minutes of the meeting while his chairman presides.

There are 25 schools in Section 10 FFA including schools from Will, Cook, Kankakee, Iro-

quois and Ford counties. Of all of these schools participating, two are selected final winners of the contest based on points that they have earned and are awarded 1st and 2nd banners. Lincoln-Way received 2nd banner. Gilman, from Iroquois County, received 1st banner.

Chairman, presiding for L-W was Marvin Bormet, senior member and son of Mr. and Mrs. Elmer Bormet who live on a farm north of Frankfort, Marvin received the honor of 2nd best chairman of the contest.

Serving as secretary and taking minutes for the local FFA was Dick Fish, senior, a son of Mr. and Mrs. John Fish, New Lenox. Dick received the honor of 2nd best secretary of the contest.

The three floor group members making up the rest of the Lincoln-Way team were Bob Hermann who lives on a farm with his parents north of New Lenox, Ed Martie, son of Mr. and Mrs. Howard Martie, who farm north of Frankfort, and Charles Mark, Jr., son of Mr. and Mrs. Charles Mark, Frankfort.

Timers were Allan Hentsch and Philip Moenck. Art Fuglsang served as registrar. Van

Rheeden was the manager of the contest and coach of Lincoln-Way's team. Lincoln-Way Future Farmers of America are quite proud of the new felt banner award and hope to have it framed and adorning the agriculture classroom walls in the very near future.

Progress is being made in the fight against cancer. Ten years ago we could save one out of every four persons who developed cancer. Today the American Cancer Society says, one out of every three is saved.

Speeding Cars Take Heavy Toll On State Roads

Excessive speed resulting in 4,325 crashes, stood first among causes of 27,171 motor vehicle accidents that occurred last year on Illinois rural roads, according to a report received by Gov. William G. Stratton from Edwin A. Rosenstone, director of the department of public works and buildings.

Other causes of accidents were: motorists who did not have the right-of-way, 2,414; disregard of driver's signal, 1,861; improper turning, 1,771; wrong side of road, 1,691; following another car too closely, 1,673; improper passing, 1,402; reckless driving, 1,334; drunken drivers, 1,109.

Most of the crashes took place on Sundays, on straight stretches of pavement in clear daylight.

Your car must have two white headlamps or yellow or amber lights strong enough to enable you to be seen by a person or vehicle 500 feet ahead.

Miss Barbara Scheer was the honored guest at a party given by her mother, Mrs. Harold Scheer this Monday evening in the Green Garden town hall in honor of her 16th birthday anniversary. About 50 classmates and friends enjoyed the evening of games and dancing, after which refreshments were served.

Mrs. Scheer was assisted by Mrs. Harry Voight, Mrs. Henry Weiland and Mrs. Orval Schroeder of Frankfort.

Mr. and Mrs. Mac Kurima were the honored guests when about 40 neighbors and friends held a housewarming for them in their newly built home. Cards were enjoyed, followed with refreshments. They received nice gifts from the group.

Mrs. Mary Bettenhausen was host at dinner Sunday in her home. Guests were Mr. and Mrs. Earl Bettenhausen and daughter Marie Ann, Mr. and Mrs. William C. Bettenhausen and family and Jacob Krapf of Manhattan. In the afternoon Mrs. Mary Bettenhausen, Mr. and Mrs. Earl Bettenhausen and Jacob Krapf visited the former's daughter, Mrs. Carl Weber, who is a medical patient in St. Mary's hospital at Kankakee.

Mr. and Mrs. Wesley Bettenhausen and family spent Sunday with her sister Miss Jeanette Polson at Chicago.

Mr. and Mrs. William Deist were the honored guests when their children, Mr. and Mrs. Walter Schoen, Diane and Dale, Mr. and Mrs. Glenn Warning and Mr. and Mrs. Marion Pomykala entertained them at dinner Sunday in the Valley View restaurant in honor of their 43rd wedding anniversary.

The Women's Guild of St. John's church will meet in the church parlors, Thursday afternoon May 2, with Mrs. Ray Sipel in charge. A movie will be shown entitled, "More for Peace". Hostesses will be Mrs. Fred Gast, Mrs. Emil Groth and Mrs. Henry Gruszig. Birthday table chairmen are Mrs. Carl Toepper, Mrs. Norman Krumweide and Mrs. Elsie Werner.

The new visiting committee for May, June, July and August are Mrs. Carl Toepper, Mrs. William Wanner, and Mrs. Geo.

Botzin. The mother and daughter banquet will be held Thursday, May 9 in the church.

The Jolly Nine club will meet Wednesday, May 1 in the home of Mrs. Lester Barton at Elwood beginning with dessert coffee at 1:30 pm.

State Extension Service Open to All Farmers

Dean Louis B. Howard, director of the Illinois Agricultural Extension Service, emphasized today that services of Illinois farm and home advisers are available to all farm people and are not limited to members of any farm organization.

To clear up any misunderstanding, Howard quoted from the code for county agricultural and home economics extension workers as follows:

The offices of the farm and home advisers shall be open to all who seek educational assistance.

"The advisers and assistants shall at all times be considered employees and representatives of the University of Illinois and shall devote their entire time to educational work and appropriate activities relating to such work."

"The educational service provided by the advisers shall be available to all farm and rural people and to all urban people of the country so far as possible."

"All extension meetings shall be announced publicly and shall be open to the public."

All farm and home advisers have copies of this code and are expected to follow it, Howard said. He stressed the fact that the director of the Agricultural Extension Service save always welcomed the support and participation of interested people in planning and carrying on extension work.

Howard pointed out that in the past county farm and home bureaus along with others have provided valuable local guidance for the Extension Service. Members of the farm and home bureau boards formerly served as the county agricultural extension council and county home economic extension council.

In order to remove any limit on representation, the farm and home bureau boards are no longer designated as the county extension councils. Instead these

leading farmers and homemakers who are interested in extension work.

The main function of the councils is to give support and direction to the extension program in agriculture and home economics in each county. They may accept contributions for local activities but shall not collect dues, engage in commercial or private enterprises or carry on legislative activities.

These councils are appointed for a two-year term by the director of the Extension Service. Organizations of farmers and homemakers may recommend persons whom they wish to have the director consider for appointment. The director may or may not accept these recommendations and may appoint persons to serve who are not representatives of any organizations. The following people serve on the councils in Will county: Hal Holz, Wilmington, president; Morelle See, Plainfield, vice-president; Charles Sweedler, Elwood, secretary; Earl Keniston, Manhattan; Fred Peteges, Lockport; Willard Wille, Beecher; George Brisbin, Plainfield; Lawrence Meyer, Manhattan; George Beutel, Mokena; Julius Sewing, Elwood; Fred Francis, Wilmington; and Mr. Robert Loitz, Peotone.

Howard pointed out that there is no purpose in asking anyone to serve on a council unless he has a real interest in serving extension work rather than merely representing a farm organization.

As an example, of the Extension Service's willingness to work with all people, Howard

cites the figures from one Illinois county. Here the mothers sunk by U. S. submarines are of only 69 out of 700 4-H girls held by the USS Flasher which belong to the home bureau. And sank 100,231 tons of Japanese fathers of only 37 percent of all shipping, while the USS Tautog most 700 4-H boys are farm holds the record for the most bureau members, ships, 26.

MOKENA MAUSOLEUM

A community mausoleum similar to the above photograph is planned for St. John's cemetery.

ADVANTAGES OF MAUSOLEUM ENTOMBMENT

A Beautiful Memorial

Constructed of steel reinforced concrete, stone and marble is almost indestructible, outlasts most cemeteries. Affords clean, dry, secure preservation. Arranged calmly, without grief, before need. Less costly than average ground burial. Conserves life insurance. Easily financed, full value obtained for cemetery lots now held.

A survey is being conducted to determine the size mausoleum warranted for this community. Crypts in the mausoleum will not be available after the survey is completed and construction started. If you desire preferred space, more information, photographs etc. for yourself or a friend or relative at present living away from Mokena please contact either Mrs. Willis Liston of Liston's Sweet Shop Mokena 2081 who is the local representative for the community mausoleum or John R. THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Read I Corinthians 15:20-28.
But in fact Christ has been raised from the dead. (I Corinthians 15:20, RSV.)

In her forest home a little child lay dying. Death was a certainty, but the parents would not accept it. Looking to them, Derli said she would soon be with her heavenly Father. They wishfully assured her that she was not going to die. "No," she replied, "I am leaving to be with my Father in heaven." In a few hours she died.

Through the brief years of her life, this child had come to know the truth central in our Christian faith, the power of God to resurrect His loved ones from the dead. The teachings within the home, the many hymns she knew by heart, the strength of prayer, and the presence of the resurrected Christ, these provided firm reality for even this little one.

Our faith in the power of God can also be unclouded by doubt as we look to Him who raised His Son from the dead. In Him is the power to raise us up new creatures in Christ.

PRAYER

O God, of the living, may Thy Son dwell in us today that there shall be in us no room for sin. Let the victorious Christ command our spirits that we may one day be with Thee eternally. In His name. Amen.

THOUGHT FOR THE DAY

The resurrection means the presence of the living Christ among men.

Church Magazine Editor to Speak At Press Session

Charles W. Keysor of Park Forest, managing editor of Together, the new family magazine of the Methodist Publishing company, and assistant editorial director of New Christian Advocate, will speak at a meeting of the Illinois Woman's Press association at 8 p. m. Friday, April 26, in the Woman's City Club of Chicago, 410 South Michigan avenue.

A former managing editor of the Kiwanis magazine, Mr. Keysor came to the Methodist publications from the J. Walter Thompson company, one of the largest advertising agencies where he was a public relations account executive. He is a skilled photographer who specializes in documentary photo journalism.

A member of Sigma Delta Chi, professional journalism fraternity, Mr. Keysor has been associate editor and production manager of two trade magazines and has written for Field & Stream and other national magazines. He is a graduate of Northwestern university's Medill school of journalism, and taught at the university.

Area members of the Woman's Press association are Mrs. Irene Hughes, Chicago Heights; Mrs. Mary Cliver, Homewood; Mrs. Mary Roberts, Crete; Mrs. Anne Rodger, Tinley Park; Mrs. Margaret Semmler, Mokena; Ada Lambrecht, Frankfort, and Mrs. Walter Baers, New Lenox.

PLAY BY THE RULES

April brings the opening of the baseball season. Along with the major and minor leagues several millions of youngsters start to play in parks, school yards and vacant lots. But it wouldn't last long, says the Illinois Division of Traffic Safety, if the players didn't follow the rules. What a crazy mixup it would be if each player made up his own rules or decided as the game went along which rules he would obey and which he would ignore. Imagine a batter with the bases loaded taking a swing and miss at a third strike, then saying that this time it takes four strikes to get the batter out. What a mixup there would be.

The traffic theme for April is "Know and Obey Traffic Laws." Every day we have grand mixups on the highway because someone either didn't know the law or decided not to follow the law at that time. Every day many accidents occur because many people think others should obey the law but they can ignore it because they do it with the utmost care and caution. Results speak for themselves. In modern society we must govern our actions by what is best for all. Nowhere is this more in evidence than in traffic. To survive we must first KNOW and then OBEY the laws.

Dollar for dollar and man for man, the submarine is this country's most economical weapon. Comprising only 1.6 per cent of the Navy's World War II personnel, the submarine service accounted for 55 per cent of all enemy shipping destroyed.

Overtaking and passing is prohibited at all times on or within 100 feet of an intersection, a railroad crossing, a tunnel, a bridge, or in any marked No Passing Zone.

State law and common sense both require a complete stop at all railroad crossings when either signals or watchman indicate the approach of a train.

Tinley Personals

Before picking the right common stocks for particular investment objectives, the right industries must be chosen. Choosing a good company in an industry with a poor outlook, may be profitable from time to time, but the investor will do better by choosing a good company in a well situated industry.

Industry selection is more important when stock market trends are uncertain. A study by the Cowles Commission of Chicago shows that if an investor had made a single investment in almost any group of industrial stocks at almost any time from 1871 to 1937 and just held the investment, the value of that investment would have grown at an average of 8 per cent compounded annually. The results for investment at regular intervals as with "dollar averaging" either thru selection of individual stocks or Mutual Funds, would have shown substantially greater value increases.

If the investor had picked exclusively growth industries of the period covered (chemicals, railroad equipment, automobiles

and electrical equipment) his results would have been substantially greater.

Selection of growth industries isn't as simple as it is sometimes made to seem. Growth industries of the past may not be growth industries of the future. Automobiles in the twenties and refrigerators in the thirties were certainly growth industries, but they can hardly be so considered today.

Analysis will permit the investor to select stable rather than cyclical industries for relative stability of market price and income. These industries may be at least partially listed as: baking, banking, containers (cans, cartons), cosmetics, chewing gum, dairy products, pharmaceuticals, finance companies, food, food chains, insurance, natural gas, petroleum products, telephone, tobacco, utilities, variety chain stores, etc.

A good rule to follow is that there are few investments which do not require periodic survey.

As competition intensifies performance of various companies within an industry can vary considerably. In some industries a few companies may dominate the industry and out perform the average of the industry by a considerable margin and the poorest in the industry, by a large margin.

In 1953 General Motors advanced while Chrysler declined, Seagrams rose considerably whereas National Distillers dropped. Rexall Drug scored some advance and Wallgreens a decline; Sears & Roebuck advanced and Montgomery Ward declined.

For long-term investors, safety and profit are usually found in diversification as to industries. For the small or medium sized investor, that is most easily found in the Mutual Funds.

The Mutual Funds are becoming a favorite vehicle for the acquisition of funds to insure a college education for children and are also being used by small church groups and social organizations to accrue funds for pensions or building funds, etc.

The saving of fixed dollar sums during the years, has proven because of the lowering of purchasing power of the dollar, a completely unsatisfactory due to the constant lowering of purchasing power of the dollar.

The Mutual Funds have been shown, over the years, to have been very successful as a protection against erosion of purchasing power. Many labor unions now use Mutual Funds for their investment program as they have found the establishment of a research organization is difficult and expensive.

Only persons who have been dead for ten years can qualify for election to the Hall of Fame.

Washington News Letter

SOUND COMMON SENSE
("Congressional Record",
Thursday, March 28)

Mr. Mason, Mr. Chairman, Oglesby, Ill., my hometown, has voted to issue \$500,000 worth of bonds to build a new school building, and \$350,000 worth of bonds to build a sewage-disposal plant. The people of Oglesby believe in standing upon their own feet and taking care of their own needs.

Mr. Chairman, the city of Oglesby has an efficient city government and a rather unusual city clerk. He hands out along with his monthly bills some of his economic and financial views. The following is an excellent sample—well worth citing:

"Many American citizens justifiably alarmed and angered by high federal taxes and a swollen federal budget wonder what one citizen can do about it. The easy way would be to accept this bloated Washington business and do nothing about it. If you feel that your efforts would be puny, you are not a worthy descendant of the men who founded this nation.

"It makes no sense for citizens or newspapers to talk out of both sides of the mouth about high federal taxes. Some of us who were in city business 25 years ago—when the welfare state began during the depression—may have moments when we regret any requests that we made for federal aid, but we at least had a depression. When WPA ended we put it behind us. It ill becomes some of our neighbor cities to be asking for Federal help to abate sewage pollution when their resources are equal or superior to those of Oglesby. We are at least paying our own way.

"An ideal Congress would be one that would cease posing as world savers and shapers, operate as inexpensively as possible, spend time repealing legislation, go fishing frequently, and let the states and cities help themselves."

More city clerks should follow the example of Edward Hand, the city clerk of Oglesby, and more cities should be encouraged to stand upon their own feet, hoe their own row, and look after their own needs. If charity begins at home, so should municipal responsibility begin at home.

In order to help place municipal responsibility where it belongs we should cut out of this bill the \$50 million carried in it for municipal sewage disposal plants.

Illinois Taxpayers Take Note
In 1956 Illinois taxpayers paid into the Federal treasury in taxes the sum of \$6,093,034,000 and received back in grants-in-aid and direct payments to individuals a total of \$213,111,213,—3.494% of the amount paid in to the federal government.

"Amens!" and Budget-Cutting

Nearly everyone has heard the story of the woman in the congregation who shouted "Amen!" when the preacher denounced drunkenness, again when he predicted eternal punishment for unfaithful husbands, and a third time when he lashed out at malicious gossipers. But when the parson declared it's a sin to "play the numbers", the woman turned to the person in the pew next to her and remarked disgustedly: "Now he's stopped preaching and gone to meddling."

Budget-cutting works just like that. Suggestions to slash certain items of the budget from some enthusiastic AMENS! as long as those items are not the items they are interested in. But when it is proposed to cut the items that are of special interest to them, then howls can be heard from New York to San Francisco.

It depends upon whose ox is being gored. In Congress this means it depends upon whose congressional district is affected; what special class of people is affected; what pressure group is flattered and told "No!"

United States submarines destroyed a total of 214 Japanese naval ships during World War II, including one battleship, eight aircraft carriers, 15 cruisers, 42 destroyers and 23 submarines. Against this score, 52 U.S. submarines were lost.

Postoffice Dept. Announces Exams.

Robert R. Justus, regional director, post office department announced that applications are being accepted for the career substitute postal transportation clerk examination. Applications may be obtained from postmasters at first, second, and third class post offices or from the

Director, 7th U. S. Civil Service Region, 1048 New Post Office Bldg., Chicago, 7.

Starting pay is \$1.92 per hour with opportunity for advancement. Applicants must be at least 18 years of age, but there is no maximum age limit. While a written test is required, any alert young man should have little trouble in making a creditable grade, it was stated.
